

Organization Overview

Company Overview

Lightworker.net is a privately held Internet communications company located in Salem, Massachusetts. Primary services include email newsletter hosting, email marketing, and email mailing list hosting. Lightworker.net is dedicated to offering best-in-class Internet and email communications to lightworkers and their communities worldwide.

Located in the heart of historic Salem and the metaphysical new age community, Lightworker.net reaches out to local, regional, national and international lightworkers to provide services to them to help support them with their efforts.

Lightworker.net provides a great new way for lightworkers to:

- Connect with other lightworkers
- Encourage and support each other
- Network and share timely messages
- Develop business & grow communities

Mission

The intention of Lightworker.net is to enable and empower lightworkers to share their message worldwide on the Internet in order to positively transform our world.
